NEW FORD **RANGER RAPTOR** 2020

**WHERE PERFORMANCE
MEETS INTELLIGENCE**

NOW WITH ADDED FEATURES

Autonomous Emergency Braking

with Pedestrian Detection detects pedestrians and vehicles in front of your truck and alerts you with audible warning. If you fail to react, the system is capable of applying the brakes automatically for you.

Lane Departure Warning & Assist

helps to detect unintentional drifting due to distractions as well as alerts and aids you to stay in your lane for a more responsive drive.

Forward Collision Warning

detects the speed and distance of the vehicle in front of you and alerts you through an audible and visual warning when it senses a potential collision.

THE ALL-NEW LED Projector Headlamps

help you to navigate through especially poorly-lit areas with added visibility with brighter lighting.

3 USB Ports

to allow for more connectivity on the go whether it be for charging of mobile phones, usage of the infotainment system or even dashcam support.
