

NEXT-GENERATION
EVEREST

#SeekYourExperience

Ford

Master Your Milestones

Life isn't always a straight road. But the seasoned traveller knows, it's the ups and downs that lead to life's great milestones. The Next-Generation Ford Everest is just the vehicle built to get you and your loved ones there. No matter the terrain, twist or turn, go farther in comfort and closer to your next milestone.

Everest Titanium

Titanium brings sophistication, luxury, and intelligence to overlanding mastery. Built because we can, Everest Titanium is a bold statement on the road.

Everest Trend

With next-gen capability and technology, Trend is ready to embrace anything thrown its way. Ruggedly stylish, smart and safe, Everest Trend is yours for fun and adventure.

Everest Sport

Blacked-out grille and trim wheels are matched with an athletic ebony interior, for a dominant signature effect. Everest Sport is ready to take on your next journey.

Game-Changing Capabilities

2.0L Single Turbo Diesel Engine

Standard on Sport 4x2

Power **170** Ps | Torque **405** Nm

6-speed automatic transmission

2.0L Bi-Turbo Diesel Engine

Standard on Trend 4x4 and Titanium 4x4

Power **210** Ps | Torque **500** Nm

10-speed automatic transmission

Engine

There's an engine to suit everyone's needs. 2.0L Bi-Turbo - A premium powertrain for the fuel economy-conscious driver.

2.0L Single Turbo - Lower cost, strong low speed throttle response, optimum fuel efficiency and emission levels.

e-Shifter*

Comfortable and central, with advanced automated parking features at hand for next-gen control.

*Available on Titanium

**10-SPEED
SELECTSHIFT®
AUTOMATIC**

Expect smoother shifting and better performance across the board, plus more accurate, quicker upshift and downshift capability.

**800MM
WATER
WADING**

With 800mm water wading capability, the Next-Gen Everest comes prepared for the rainy season.

Selectable Drive Modes

Master anything from smooth roads to mud and ruts and everything in between with up to six selectable drive modes: Normal, Eco, Tow/Haul, Slippery, Mud/Ruts and Sand.

Tough Outside, A Sanctuary Inside

C-Clamp Headlamps

Instantly recognisable, Ford's signature design DNA is reflected in the C-Clamp Headlamps that flank Everest's commanding grille.

*Matrix LED Headlamps available on Titanium

Space for Seven

There's plenty of room to fit the whole family, or whoever's on board for the ride, in total comfort.

Electronic Parking Brake

Using just a switch, you can go easy on the brakes and get more room in the cabin.

LED Taillamps

Set in a full-width design to emphasise Everest's increased track. The extra 50mm plants the vehicle on its wheel, creating a strong and muscular stance.

SYNC® 4A with Large Centre Display

The SYNC® 4A System, rearview cameras and best-in-class 10" or 12" touchscreen bring you a new connected functionality.

Hands-Free Power Tailgate*

Access to your Everest is easy, even when your hands are full. Simply kick your foot under the rear bumper and the tailgate opens and closes automatically.

*Available on Sport and Titanium

A Smarter Drive

360° Camera

From the large centre display, choose from multiple camera views: bird's eye 360° top-down view, 180° front and rear split view, front off-road view.

Active Park Assist 2.0*

Reduce the stress of parking with steering, shifting, braking and acceleration assistance to navigate parallel or perpendicular parking spaces.

*Available on Titanium

SYNC® 4A

An in-vehicle communication and entertainment system that's simple to navigate with wireless smartphone integration, and a 10" or 12" touchscreen.

Wireless Apple CarPlay® & Android Auto™

Say goodbye to tangled cables and hello to the sleek interior you've always wanted.

Wireless & USB Charging

Designed for the busy, modern family, with USB access for the front and second row. Place your phone on the Everest's wireless charging pad and you are good to go.

Ready for Safer Adventures

Lane-Keeping System with Road Edge Detection*

Designed with road trips in mind, the Everest can provide gentle steering support to help prevent the vehicle from drifting off the road.

BLIS® (Blind Spot Information System)*

The Next-Gen Everest takes blind-spot detection to the next level. BLIS® can alert you if a vehicle is detected in your Everest's blind spot. It's added peace of mind for safer and less stressful driving.

Pre-Collision Assist with Intersection*

The Everest can alert you to a potential collision with a vehicle, cyclist or pedestrian in front of you and now, Pre-Collision Assist can detect vehicles when turning.

Reverse Brake Assist*

Your Everest can detect if there is an object or pedestrian behind you or a vehicle about to cross at the rear. It will sound an alert and, if you don't react in time, will apply the brakes for you.

Evasive Steer Assist*

If the distance is too short to brake in time, your Everest will provide steering support to help you avoid collision.

7 Airbags

On top of an advanced seat belt system, there are now up to 7 airbags available: Driver, Driver's Knees, Curtains, Front Passenger, Sides, and Curtains.

*Available on Titanium
